

# Educational Pathways Program

Go.Forward

Dear Parent/Caregiver,

A 2-day Creative Digital Media Workshop has been organised for up to 15 students targeting stage 5 and 6 to strengthen VET, School Based Traineeship pathways and employment opportunities within the information technology industry. The Program aims to provide students across the Northwest and New England region the opportunity to gain insight into the emerging Australian games industry, learn the basics of the Unity game engine, 2D animation, sound design and game mechanics, create their own game and learning about the career pathways and how to pursue a career in the industry.
